Intuitive:
Learn How To Use All Features Like A Pro In No Time

Fully Operational:
It's Plug And Go So You Can Install

Easy To Use: Just 1 - 2 - 3

1 Create Your Menu In Minutes With Our Menu Creator

Create beautiful menus with your choice of software and export them to SignageLite

2 Upload Your Menu Through Wi-Fi or USB

Once your menu is done, just send it to SignageLite over wifi or USB. The process is quick and simple so that you can update your menu anytime

3 Plug In SignageLite To Any Display Screen

Once your new menu is loaded, SignageLite is a plug-and-go. Just plug it in with HDMI to any display screen to become fully operational. It's that easy.

Manage Multiple Locations From *Anywhere*

Manage your signagelite anywhere over wifi. That means adding new content, promotions, and menu items is simple and hassle-free. Run multiple locations and all your menu boards at once. With SignageLite, managing thousands of message boards is effortless.
